The IAAS June 2023 #1 Newsletter

SAVE THE DATE! The 17th IAAS Conference will be held on the 19th November 2023

This year plenary session will place a spotlight on POSTDOCS – the future aquatic researchers. We invite researchers and other community members to send us by July 15th recommendations on outstanding postdocs connected to the Israeli scientific community (in Israel or abroad). We intend to highlight their scientific path, challenges and achievements in the conference and our website.

A Special IAAS online meeting: Workshops & Courses: 20.06 at 10 AM we will hold a short (15 min) online meeting to approve the financial reports of the association.
